Are there limits on where I can locate or place a manufactured home?

General · https://celebratecommunities.com/faq/are-there-limits-on-where-i-can-locate-or-place-a-manufactured-home/

Many cities and towns, still relying on outdated perceptions and stereotypes of “mobile homes,” have zoning regulations limiting where you can place a manufactured home. However, more and more urban and suburban governments are recognizing that today’s manufactured homes are virtually indistinguishable from site-built homes and are allowing manufactured homes to be placed in their communities. Before purchasing a manufactured home, be sure to check the zoning regulations in the area where you want to live.
