What kinds of financing is available?

Financing · https://celebratecommunities.com/faq/what-kinds-of-financing-is-available/

We have several manufactured home lenders that specialize in financing homes in our communities. We are happy to introduce you to them and help you go through a fast and easy process to get pre-approved in less than 24 hours (on average). Their financing has downpayments as low as a few thousand dollars and you can often buy your own new or pre-owned home for less than it costs to rent an apartment.
